

RACV City Club, Melbourne

The RACV – Our 10 in 1 Reciprocal Club

10 IN 1? WHAT ON EARTH DOES THAT MEAN? THE ANSWER TO THAT QUESTION, IS GOOD NEWS!

Among the Club's long-standing reciprocal clubs is the Royal Automobile Club of Victoria in Melbourne, where many of our Members have taken advantage of the wonderful club facilities on Bourke St., just a stone's throw from Melbourne's retail precinct, Federation Square, theatres and major event venues – a perfect venue catering for the social, leisure and business needs of all Club Members and, of course, this includes NSW Masonic Club Members who take advantage of our reciprocal arrangement.

Our reciprocal partnership with the RACV Club in Victoria gives you access to One Club with two properties; at Healesville in the Yarra Valley and the City Club in Melbourne. The RACV also have eight resort properties that you can visit anytime.

A range of stylish dining venues and entertainment options make the RACV City Club the perfect place to celebrate a special occasion or to enjoy a coffee, social drink, business lunch or intimate dinner; but – and here is the 10 in 1 – the RACV invites our Members to take advantage of their country retreat in the Yarra Valley and an additional eight resorts throughout Victoria, Queensland and Tasmania.

Two of these venues – the City Club and the Healesville Country Club – are for the exclusive use of Club and reciprocal Club Members.

So, let's have a look at the resorts, and we'll go north and start in Queensland; first up, is the well - known Royal Pines Resort, a short drive from the centre of Surfers Paradise on the Gold Coast; this 100-hectare resort is set on a 27-hole championship golf course – the home of the Australian PGA Championship - with driving range. Guests can choose from 8 restaurants and bars, excellent accommodation, and facilities that cater for the whole family. RACV Royal Pines is less than five minutes' drive from Metricon Stadium and 20 minutes' drive to Wet'n'Wild Water World and Warner Bros Movie World.

Recreational features include water slides, a playground and bicycle rental (electrical cars also available for hire).

As the "V" in RACV echoes "Victoria", the majority of the Club's resorts are strategically located in the southern state, to provide a taste of the best the State has to offer.
