# Coronavirus Update

As part of the Federal Government's staged shutdown of "principal places of social gathering", NSW Masonic Club was temporarily closed along with other registered and licensed clubs and non-essentials services.

Levels 1 - 5 of the building, all Club outlets, the function rooms and Café Reagh (street level) have been shutdown until such time as we are able to re-open - sooner rather than later we hope!

Amid the closure of so many businesses right now, the Castlereagh Boutique Hotel will remain open to serve the community, accommodating guests on three levels. Rest-assured with fewer rooms operating guests are receiving the personalised attention the Hotel is renowned for.

We want to assure you that we have kept abreast of the developments in relation to COVID-19 and will continue to do so through the official information being made available by our health authorities and government agencies.

We wish all our Members and Guests the best of health and safety during the coming months and look forward to re-opening the doors, to welcome you back as soon as we can.

Yours sincerely

Paul Brasch  
General Manager, NSW Masonic Club
