## HOTEL HAPPENINGS

**We are super excited to launch our new look hotel rooms and corridor on Level 9!**

A lot of planning went into the refurbishment in late 2023 and on 2nd January this year, a small team of our employees emptied out all 16 rooms on level 9. The demolition team lead by Soho Contractors moved in the next day and stripped the carpets and prepared the rooms. The corridors were completely re-sheeted and painted with a stunning dado rail, striking carpet, new rooms numbers and artwork were added. The rooms received a new paint job, feature wall paper, new bedheads, ceiling light shade, cabinetry for the wardrobe and bathroom, new mirrors, artwork and a custom-designed minibar cabinet. The feedback has been amazing and the rooms are heavily booked. We are now working on a complete renovation of level 11 and upgrade of the fire services.

## BOARDROOM BANTER

Welcome to our new-look Club Chat for 2024. A lot has been happening in the past few months and Members are in for a treat when next visiting the Club!

The most notable changes are the Level 9 refurbishment and fresh layout for the ground floor Reagh Bar and reception area. We are also very pleased to announce that the Reagh Bar is now open for dinner on Tuesday to Friday from 5pm to 8.30pm, offering an exciting new tapas menu, cocktails and Little Creatures Pipsqueak Cider which is now on tap.

During January our team engaged in a strategic planning session to shape the future of our Food and Beverage offerings within the Club. With many changes now in place we're excitedly planning a revamp of the the level 2 lounge, including a brand new name - watch this space!

This week we launched a new dining reservation system so you can easily make online bookings for our bars and restaurant dining areas right from our websites!
